## Meeting the Project Management Challenge- Day 1

8:00-8:30	Welcome & Intro: Dorothy Tiffany, Walt Majerowicz & Al Diaz										
8:30-9:15	Keynote Speaker: Dr. Michael Greenfield "A Renewed Spirit of Discovery"										
9:15-9:30	Break – Visit Exhibitors										
9:30-11:00	PANEL: "New Initiatives in Program and Project Management"										
11:00-11:15	Break – Visit Exhibitors										
Break-out Rooms	2102	2103	1123	1105	0105	0109	1109				
11:15-12:15	'Communication: The Key to Contract Performance" PANEL	"New Initiatives in the NASA Cost Analysis Arena"	"Fostering a Project Management Legacy Through Technology Spinoffs"	"Scheduling Basics: Critical Path Method Scheduling"	"NASA APPL: Meeting the Challenges of Project Leadership"	"Making Choices – The Key to Success"	"In Search of the Project Management Professional (PMP®) Certification"				
12:15-1:30		Lunch (Ballroom)									
1:30-2:30	"International Project Management" PANEL	"The Challenges of Return to Flight"	"Earned Value Principles"	"Schedule Analysis Techniques"	"Earned Value Made Simple!"	"Implementing Critical Chain Project Management"	"Performance Based Contracting"				
2:30-3:00	Break – Visit Exhibitors										
3:00-4:00	"Elements of a Successful Project Team" PANEL	"Requirements Management"	"Risk as a Resource"	"Integrated Cost & Schedule Risk Analysis"	"Removing Stumbling Blocks to Developing the Critical Path"	"Implementing EVM Data Analysis: Adding Value from a Project Manager's Perspective"	"Replanning the Performance Measurement Baseline"				
4:00-4:15	Break – Visit Exhibitors										
4:15-5:00	Keynote Speaker: A. Thomas Young "Meeting the Project Management Challenge"										
5:00-8:00	Reception – Main Level Ballroom										

## **Meeting the Project Management Challenge- Day 2**

8:00-8:15	Welcome & Intro: Dorothy Tiffany, Walt Majerowicz & Dolly Perkins										
8:15-9:00	Keynote Speaker: Douglas Cooke "The New Exploration Initiative"										
9:00-9:15	Break – Visit Exhibitors										
Break-out Rooms	2102	2103	1123	1105	0105	0109	1109				
9:15-10:15	"Project Management Roundtable" <b>PANEL</b>	"Estimate at Completion Perspectives"	"Risk-Weighted Cost Estimates: Principles and Practical Applications"	"Understanding & Applying Cost Categories to the Cost Estimating Process"	"Project Management in a University Environment"	"NASA Earned Value Initiatives"	"Practical Lessons From the VCL Project Termination" PANEL				
10:15-10:30	Break – Visit Exhibitors										
10:30-11:30	"Full Cost Project Management" <b>PANEL</b>	"Configuration & Data Management in a Distributed Environment"	"Proactive Communication Methods for Project Managers"	"The Process of Independent Program Assessment" PANEL	"NASA Activities in Risk Assessment"	"Decision and Uncertainty Management for Human and Human/Agent Teams"	"Initiating the Mars Science Laboratory Focused Technology Program"				
11:30-1:00	Lunch (Ballroom)										
1:00-2:00	"Importance of Cost/Schedule/ Technical Baseline" PANEL	"JPL's Approach for Helping Flight Project Managers Meet Today's Management Challenges"	"Managing in Turbulent Times"	"TurboTech: Automating the Proposal Technical Evaluation Process"	"Quantitative Risk Assessment System (QRAS)"	"Enhancing Mission Success in the 21st Century Through Collaboration"	"CMMI® From A Project Management Perspective"				
2:00-2:15	Break – Visit Exhibitors										
2:15-3:15	"Improving the Technology Infusion Process" PANEL	"Improving Leadership Skills"	"Return To Flight Project Management – Perspectives from the On- Orbit Tile Repair Project"	"Cost/Schedule Analysis using wInsight"	"A Common Sense Approach to Project Management"	"Risk-Based Insight"	"Galileo/ASSAP: A Dynamic Fault Tree Analysis Tool"				
3:15-3:30	Break – Visit Exhibitors										
3:30-5:00	PANEL: "Meeting NASA's Project Management Challenge
